Discovery Newsletter for Trainers

September 2019 Issue

Discovery Library newsletter is created to assist trainers with information listed below.

- Updates on the library
- News updates on the Vocational Education and Training Sector
- Some learning materials with possible connections to the units to be delivered
- Upcoming Events on Vocation Education and Training

The newsletter is not compulsory to read. It is to inform and assist trainers to improve and keep their knowledge and skills current for professional development.

The listed events may come at a cost so please discuss any attendance to events with your supervisor before applying.

If you require any assistance, please contact library@aibtglobal.edu.au.

Table of Contents

Library News

The library is excited to announce a new coming feature, Summon Discovery, on the library website. Summon Discovery is a service that provides library patrons access to all their library's collections in one location. In other words, AIBT library users can search and access all library resources such as eBooks, scholarly journal articles, open sources, magazines, thesis/dissertation, and newspapers at one location. The picture below shows Summon Discovery search box at the library website. Library users have options to search (i) all library resources, (ii) Book&eBooks, and (iii) Journal articles.
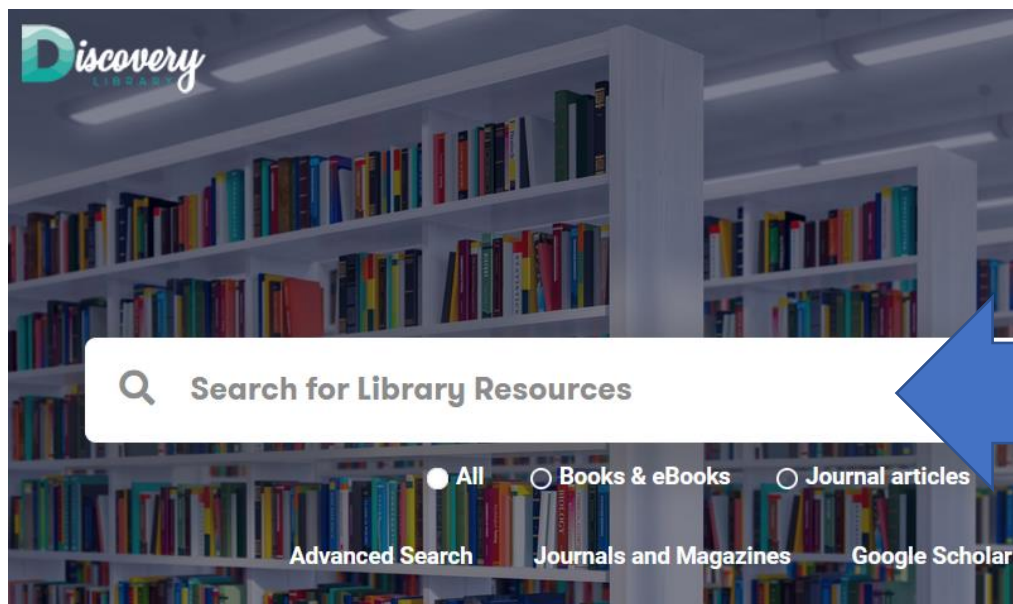

Summon Discovery search bar- the new simple, one-stop searching tool for books, e-books, videos, articles, digital media, and more

In addition to Summon Discovery search tools, Book Circulation System is completed. AIBT now have the system for staff and students to borrow and return physical library resources such as books, CD, and other printed materials. Library team are now working together with facility and IT managers to establish physical library space in Sydney (Homebush – Room 209). Physical library space in Brisbane is currently 'work in progress'. Once the physical library space is established, Book Circulation service will be available to all AIBT staff and students.

To request new books for your course materials
Please complete the online purchase request form.

As library team is implementing Book Circulation System and physical library space in Sydney (Homebush – Room 209), it might be a good opportunity for you to consider new purchase requests for necessary books and/or other materials. If you believe that new materials are necessary and they can assist you in delivering the best quality education to the students, please do not hesitate to make a purchase request.

For assistance with using the library/research
please contact library@aibtglobal.edu.au

We are here to assist. Your need and question are important for us. Contact us anytime. We aim to respond to all enquiries within one to two business days.

Vocational Education and Training News

This section provides some news and articles relating to the Vocational Education and Training (VET) sector. It does not contain all information and updates for the VET sector, but it tries to bring you some important, essential, interesting or informative news.

Please contact the library if you would like a copy of any article.

ASQA corporate plan 2019-20
Author: ASQA
Date: 4 July 2019

ASQA has published their cooperate plan for 2019 to 2020. It provides information regarding the environment of VET such as stakeholder, governance, and risk-based regulation. The plan also includes ASQA engagement and support, and performance framework. Heads of School are highly recommended to check the document, but trainers can also check it. All links and documents are provided in the ASQA news release.
